Visible Leadership™

A Customized Learning Experience

Support your organization's diversity, equity, and inclusion goals with a development program developed and facilitated exclusively by BIPOC leaders, for BIPOC leaders. Visible Leadership™ is a customizable learning experience that gives your BIPOC leaders the chance to connect with others who have had similar experiences and build skills targeted specifically to their development needs.

Key Learning Outcomes

Achieve the following outcomes with our proven designs or tailor the content to your specific needs. Participants will receive the knowledge and tools to...

- Approach communication as an act of leadership.
- Understand the importance of vision no matter their level or role.
- Cultivate a strong core of conviction to support their vision.
- Design a leadership brand that aligns with their core convictions and values.
- Build resilience in the face of challenges.
- Project a powerful and authentic presence, both in-person and virtually.
- Approach impromptu communication with the same level of intention as more formal opportunities.
- Grow their BIPOC network and strengthen existing networks within the organization.

Participant Profile

Visible Leadership™ is ideal for new or aspiring BIPOC leaders who need to improve...

- Developing a powerful and authentic leadership presence.
- Cultivating core values and sharing them with others.
- Building a network of support with other BIPOC leaders.

We chose The Humphrey Group to be our global partner for leadership communication training. They have worked hard to understand how we want our leaders to communicate, and then they tailored programs to meet our specific needs for those skills.

Program Modules

/ Authentic Leadership

Use a simple tool to identify and articulate the four values that are core to their leadership identity, learn how to balance audience-centeredness with authenticity, and practice adapting communication to align intention and impact.

/ The Leader's Script

Apply the Leader's Script to create message-driven communications, and learn methods to craft clear, inspiring, audience-centered messages.

/ Relationship Building

Identify the relationships that are critical to their success and use the Relationship Building Tool to develop strategies for building strategic, authentic relationships.

/ Networking

Join a networking event to build community. Participants will discuss program takeaways and identify next steps in their development journey, while learning how to network in an intentional, strategic manner.

/ Leadership Presence

Practice delivering the Leader's Script in 1:1 coaching, receive feedback, and identify strategies to improve their presence.

SPARK Your Learning with Tailored Program Add-ons
